 For: COMPOSITION AND METHOD)
 FOR TREATING LUPUS NEPHRITIS)

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR § 1.56

Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. § 1.56, Applicants hereby submit the following information in conformance with 37 C.F.R. §§ 1.97 and 1.98.

This Supplemental Information Statement is being submitted within three (3) months of the filing of this application or entry into the national stage of this application, or before the first Office Action on the merits, whichever is later, therefore no fee or certification is required under 37 C.F.R. § 1.97(b).

In addition, the documents listed on the Form PTO 1449 were cited during the prosecution of the related International application. A copy of the International Search Report is attached setting forth the portion of each document considered relevant by the Examiner. Applicants have not enclosed any copy of the U.S. Patents listed in the Form PTO-1449. This is because the requirement in 37 C.F.R. § 1.98 (a)(2)(iii) to submit copies of each cited U.S. patent applications, for all U.S. national patent applications filed after June 30, 2003, has been *sua sponte* waived in accordance with the Official Gazette Notice dated October 19, 2004.

It is requested that the Form PTO-1449 be considered and made of record in the above-identified application. To assist the Examiner, the documents are listed on the
